AUSTRALIAN MATHEMATICS COMPETITION (AMC) 2018
AUGUST 9, 2018 • THURSDAY
REGISTRATION IS CLOSED AFTER JULY 13, 2018

January 12, 2018

Dear _____:

The Mathematics Trainers' Guild, Philippines commissioned by the Australian Mathematics Trust (AMT) to administer the **2018 Australian Mathematics Competition (AMC)** on Thursday, August 9, 2018 is starting to accept the registration of participants from your school.

In connection thereto, we invite the interested math wizards of your school to participate in this year's AMC and we request your good office to help us disseminate this event to them whom we know have the potential to be this year's recipients of various forms of distinction.

That your participants and your school will experience convenience in registration, we have streamlined the registration procedures so as to avoid any misplaced, lost or non-arrival of deposit slips and registration forms.

The deadline of regular registration is on April 6, 2018, but for the behind schedule registration vis-a-vis charges, please refer to the back page of this letter.

Furthermore, AMT requests us to remind your participants never to forget to indicate the School Code in their examination paper for it is very essential to identify them of their school.

We will give the person-in-charge of AMC in your school a copy of the AMC Solution Book as our incentive if your school makes at least **50** of your math wizards join the 2018 AMC. The AMC Solution book makes a very good material for review and training students because the math problems are designed based on the international math standard.

Attached herewith is the invitation letter containing the **new registration procedures** and other pertinent AMC registration details.

We are truly grateful and appreciative for your continuous support to the programs and projects of the Mathematics Trainer's Guild, Philippines through your participation in the 2018 Australian Mathematics Competition.

Thank you very much.

Very truly yours,

SIMON G. CHUA, D.T.
AMC National Director, Philippines
