OFFICE OF THE PRESIDENT

DATE : 22 March 2019
TO : All Incoming Pre-Kindergarten to Grade 12 Parents
FROM : The School President *Sr. Irene W. Yerna, MIC*
RE : Schedule of Parents' Orientation

As we end School Year 2018-2019, I would like to take the opportunity to thank you for your cooperation and support. The school takes pride in the achievements and initiatives we have made this school year. **As you may have heard, Immaculate Conception Academy is now an authorized IB (International Baccalaureate) World School for the Diploma Programme. As such, we are now part of a global community of more than 4,900 schools, spread in 153 countries offering at least one of the IB Programmes. For school year 2019-2020, ICA will start to offer the IB Diploma Programme (IBDP) to our incoming Grade 11 students.**

In line with our preparation for the new school year, we would like to invite you to attend the PARENTS' ORIENTATION before the start of classes on June 17, 2019. As our mission partners in ensuring the success of your daughters, we look forward to another productive year of working together and getting you involved in the many programs and activities we have to offer.

During the orientation, some significant changes that the school will be initiating for school year 2019-2020 will be presented. These include changes in the academic programs, student activities and some of our services. Given that certain policies and procedures are unique and specific to each department, parents with more than one daughter in the **SAME** department (i.e. daughters are all in Grade School or daughters are all in High School), may choose to attend ONE orientation BY DEPARTMENT. However, if your daughters are in two different departments, we highly encourage you to attend the orientation of both departments.
